

Blackburn with Darwen Help Hub

We don't want anyone to struggle during the Coronavirus outbreak, and are working with a range of local organisations who can offer support. Whether you need a prescription picking up, some shopping delivered, or a warm meal, there's someone in Blackburn with Darwen who can help you.

If you are in desperate need of food, are worried about paying for gas and electricity, or need support for your mental wellbeing while you're isolated at home, get in touch with the BwD Help Hub.

If you need prescription medication, we advise you to contact your GP surgery or local pharmacy.

We are also working with local community groups and charities who are keen to provide support to residents in need in their neighbourhoods.

Burnley Together Hub for Residents

Partners across the public, private and voluntary sectors have worked together to create a “community hub” to co-ordinate help and support for residents across the borough during the coronavirus outbreak.

Burnley Together was launched to help the most vulnerable people in our community who are facing difficulties, worries and loneliness as a result of the outbreak.

The services that we will help with initially are: Obtaining food parcels, help with shopping, meals on wheels, dog walking, collecting prescriptions, dealing with social isolation and loneliness, financial, debt and housing advice.

Hyndburn Community Hub

The Hyndburn Hub has been established to support our most vulnerable residents, providing help and assistance to those who need it. Our team are on hand to support people to obtain essential supplies and are guiding people to access any services and community support that they may require during the Covid-19 crisis.

We are working alongside our existing community voluntary sector to harness our collective powers, with the aim of distributing essential supplies and support via the Hub to people across the borough.

Our helpline is open Monday to Friday and our network of volunteers and community organisations are providing support seven days a week.

SUPPORTING OUR SHIELDED COMMUNITY

Ribble Valley Community Hub

Ribble Valley Borough Council has launched a new initiative to help those most vulnerable in the borough throughout the Coronavirus (COVID-19) pandemic.

The Ribble Valley Community Hub will offer support to those in the Government's outlined high risk categories. This includes those over 70 and others with underlying health issues who are self-isolating and don't have the support of family, friends, or neighbours.

The council is working in partnership with residents, community groups, businesses, partners and the voluntary sector to provide help and support with everyday needs such as obtaining food parcels, shopping and collecting prescriptions, housing, financial and debt advice, and preventing loneliness.
